BOARD OF FELLOWS MEET

The Board of Fellows will be meeting next Monday, Tuesday and Wednesday to discuss developing new long-range goals for Gallaudet College.

The Board evolved from a committee which was appointed by the Board of Directors in 1970 to study the role and function of Gallaudet College. The study culminated in a report known as "The New Era." At its meeting next week the Board will review the progress the College has made in reaching the goals outlined in this report.

The ten member Board of Fellows is
